

Magnetic Media Filing Systems by Ring King Visibles

A commitment to provide the most efficient, safe yet economical storage and retrieval systems for the Word Processing and Computer installation.

"We make keeping and finding the right words easy."

DISKETTES

A. Maxi Rotary Diskette File RKRS-5018

It goes in circles so you don't. Ideal for large files and for use by more than one person, it displays all titles to any direction. Maxi Rotary stands 23" high on a 12" precision ball bearing base. Accommodates 25 Royal Blue Housing Frames (ordered separately) for a total capacity of up to 300 diskettes.

B. Diskette Rotary File DR150

Little brother to the Maxi Rotary holds 75 non-glare vinyl files—each holding 2 diskettes (ordered separately) for a total capacity of 150. Same precise rotating action on weighted base.

C. Maxi Desk Stand RKDS-PX30M

Designed for convenience, beauty and capacity. Angle positioning allows the most comfortable viewing and housing frames open wide for easy retrieval. Constructed of bronze Plexiglas, the desk stand rises from a walnut grained base. Available in sizes to accommodate 15, 30 or 45 Housing Frames (ordered separately) for a total capacity up to 540 diskettes.

D. Diskette Display DF30

Little brother to the Maxi Desk Stand, comes complete with 15 clear vinyl files to accommodate up to 30 diskettes. If it's moderate storage capacity and super efficiency you need, choose the Diskette Display file.

E. Diskette Desk Index DI30

A flip of the finger presents the diskette you desire. Clever housing for up to 30 diskettes. Low profile allows it to be placed anywhere on desk surface.

F. Disk Tray DT100

Simple but effective cross tray will accommodate up to 100 diskettes and fits standard hanging files. This steel constructed "tub" is designed expressly for diskettes. Angle front and back panels allow flip-through title search. Adjustable back stop adapts to smaller volume. Horizon Grey color.

G. Diskette Easel Binder 1114-1

Ideal for small to medium sizes files—providing hands-free diskette viewing. Four-ring, white French Calf vinyl binder with open/close boosters holds up to 4 Ring King Housing Frames (ordered separately). Each floppy disc has its own assigned location with blank spacing that instantly points out mission files. Open, they're a handy free-standing easel for fast, efficient reference. Closed, they're neat, trim books for convenient, upright shelf filing.

H. Diskette Housing Frames FD-311-08

Royal Blue vinyl Housing Frames protect 8 diskettes each. Comes complete with snap-on, movable index tabs and 5 colored inserts.

I. Diskette Looseleaf Easel Binder 8511-1

Standard black Ring King 3-ring easel binder holds up to 10 Diskette files (ordered separately), for a capacity of up to 20 diskettes.

J. Looseleaf Diskette File FD02

Durable, non-glare vinyl sleeves hold 2 diskettes each (one per side). Separate top pockets provide for printed title inserts (included). Mate with the Ring King Diskette Looseleaf Easel Binder for dust-free storage and maximum versatility.

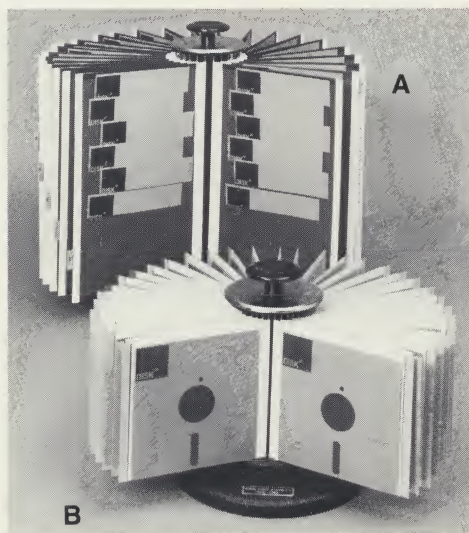

Diskette/Hard Copy Looseleaf File FD01

Durable non-glare vinyl sleeve holds one diskette and related documents. Three hole punched to mate with Ring King Looseleaf Easel Binder.

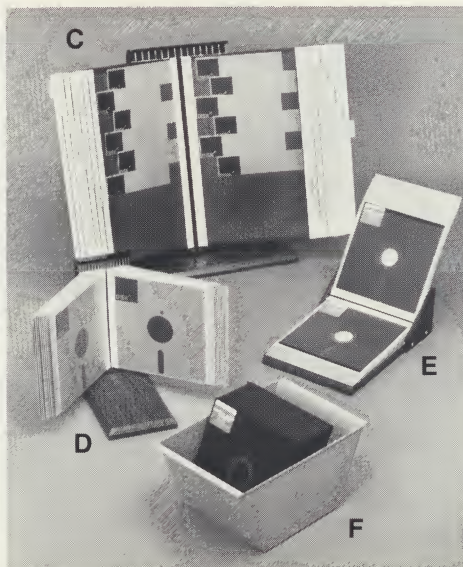

K. Porta-Disk DB20

Vinyl folder opens for disk selection or snaps closed for secure filing. Unit comes complete with 10 non-glare vinyl sleeves to protect 20 diskettes. Folder is made from Gauchio patterned scarlet vinyl.

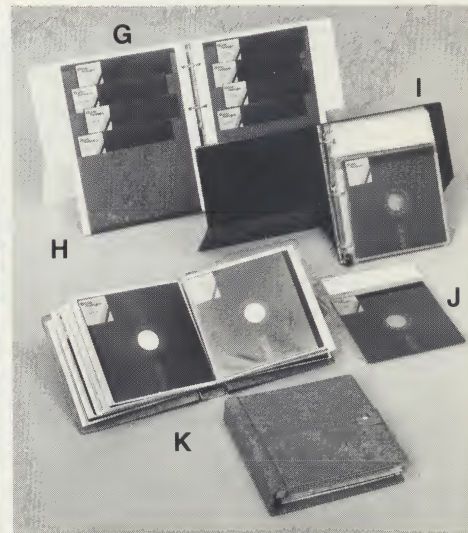

ROTARY FILES

DESK FILES

BINDERS

MAGNETIC CARDS

A. Maxi Rotary Mag Card File RKRS-5018

Capacity for up to 850 magnetic cards providing "lazy Susan" access. Attractive, heavily-weighted stand accommodates up to 25 Ring King Royal Blue Housing Frames (ordered separately). Rigid 100% plastic housing frames provide maximum visibility and chemically neutral protection for magnetic cards.

B. Maxi Mag Card Desk Stand RKDS-PX30M

Attractive desk top system with enough capacity for the large installation. Available in three sizes, the Ring King Maxi Desk Stand will accommodate up to 45 Royal Blue Housing Frames (ordered separately) for a total capacity of up to an amazing 1530 magnetic cards. Walnut grained base and bronze Plexiglas frame place all titles at perfect angle for viewing.

C. Mag Card Tray MCT150

This Horizon Grey colored steel cross tray accommodates up to 150 magnetic cards. Adjustable back stop keeps even smaller volume files at correct angle for title search. Entire unit can be placed in hanging file drawers for security.

D. Mag Card Easel Binder 1014-1

White French Calf vinyl binder places magnetic cards at your fingertips. Four-ring metals (with open/close boosters) hold Royal Blue Housing Frames (ordered separately) for a total magnetic card capacity of up to 96. Ideal alone for small or medium size files or as a satellite file for much larger system. Can be closed and stored upright on a shelf or flat in a drawer for security. This is an oversized binder created especially for magnetic cards. Housing frames come complete with snap-on, movable index tabs and color-coded inserts. Oval punching insures jam-free operation.

E. Mag Card Looseleaf Easel Binder 8511-1

Rugged Ring King 3-ring easel binder stands open for visible filing or closes for compact storage. The binder comes in four ring sizes: 1", 1½", 2" and 2½", accommodating 5 looseleaf mag card files per ½ inch (ordered separately).

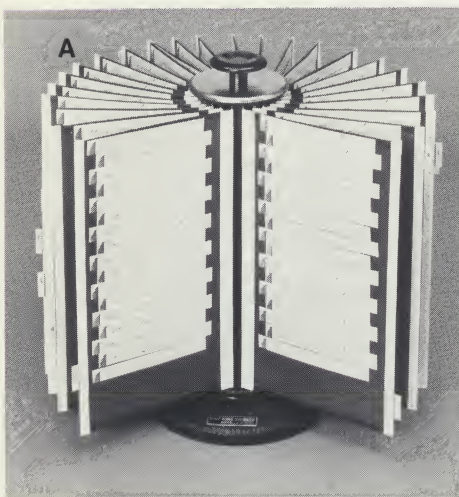

F. Mag Card Looseleaf File MC03

Durable, non-glare vinyl file with three horizontal pockets for visible storage of magnetic cards or punched tab cards with or without sleeves. Top loading insertion of cards, three-hole punching and transparent material combine to make this file quick and efficient.

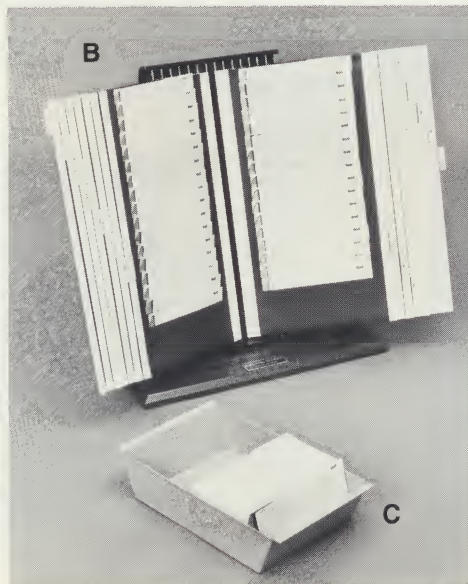

G. Mag Card/Hard Copy Looseleaf File MC02

Easy-access hard-copy compartment is open on top and one side and holds up to 20 individual 8½" × 11" documents. Up to 10 magnetic cards (with or without sleeves) are stored right with hard copy in two vertical pockets.

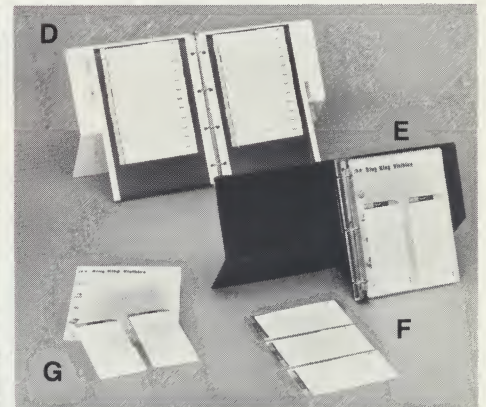

ROTARY STANDS

EASEL BINDERS

CASSETTES

A. Dozen Cassette Binder 8511-CB12

Double-sided, overlapping trays click shut for dust-tight storage. Special cassette retainers check spool movement for increased tape protection. White French Calf vinyl binder folds together for travel, filing or even for mailing.

B. 6 Cassette/Hard Copy Ring Binder 8511-CB6

White French Calf vinyl binder accommodates up to 6 cassettes on one side and will hold hard copy or looseleaf documents with 3 heavy duty ring metals. Spool movement is checked by special retainers.

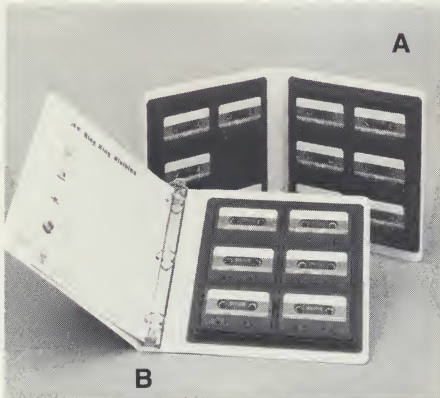

C. Cassette Rotary File CL40

Store up to 40 cassettes in less than one square foot in this walnut grained case. Entire unit rotates on steel ball bearings. Individual compartments hold cassettes plus

D. Cassette Safe CL70

Concealed storage for 70 cassette tapes in or out of plastic covers. Attractive walnut grained cabinet with textured black vinyl front and aluminum accents swings inside out to display indexed cassette compartments. Comes complete with lock and keys.

DATA CARTRIDGES

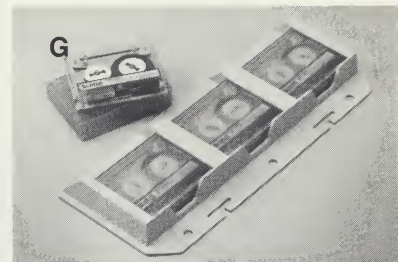

F. Data Cartridge Rotary File DC-5012

Rotary filing system to store up to 72 DC100A data cartridges. The cartridges are stored within their individual plastic boxes and then within 12 beige colored rotating racks provided. Cartridges "snap in place" and can be indexed or labeled on title space provided. Rotary stand is black with chrome cap.

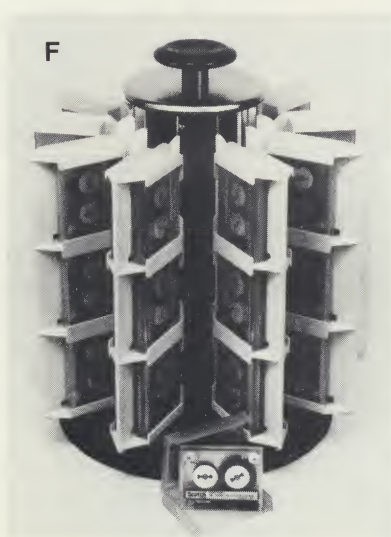

G. Data Cartridge Looseleaf File

DC03 and DC06

Beige colored files are three hole punched to fit within the Ring King Looseleaf Easel Binder. Cartridges, contained in their boxes, "snap in place" and can be indexed or labeled on title space provided. Units can be ordered single sided holding 3 cartridges or double sided holding six.

MINI DISKETTES

A. Mini Diskette Looseleaf Easel Binder 8511-1

Standard black Ring King 3-ring easel binder holds up to 10 mini diskette looseleaf sheaths (ordered separately) for a capacity of up to 20 minis.

B. Mini Diskette/Hard Copy Looseleaf File MD01

Heavy-duty, non-glare vinyl housing for one mini diskette and up to 20 pages of hard copy. Three-hole punched to mate with Ring King Easel Binder.

C. Mini Diskette Housing Frame FD-354-08

Royal Blue Housing Frames protect 8 mini diskettes each. Come complete with snap-on, movable index tabs and 5 colored inserts.

D. Mini Diskette Rotary File MDR150

Mini sized but maximum utility describes this pint-sized version of the Diskette Rotary File. Same precision steel ball bearing "lazy Susan" action positions up to 150 mini

diskettes within 100% plastic sheaths. Clear vinyl allows clear visibility of each diskette when filed.

E. Mini Diskette Display MDD30

100% plastic sheaths protect mini diskettes and present them at optimum viewing angle. Bronze Plexiglas frame rises from a walnut grained base. Display file comes complete with 15 clear vinyl sheaths to accommodate up to 30 mini diskettes.

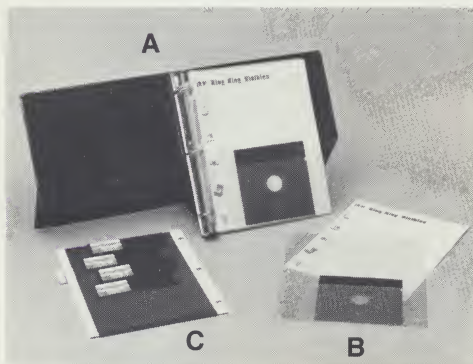

F. Mini Diskette Desk Index MDI30

Efficient storage for up to 30 mini diskettes—all available with the flip of a finger. Clear vinyl sheaths store mini diskettes flat and dust free.

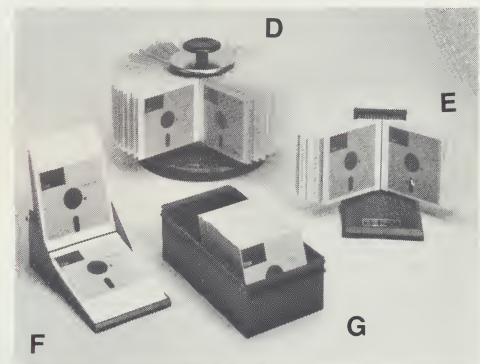

G. Mini Diskette File Tray MDT125

Metal file tray accommodates up to 125 Mini Diskettes and will hang within a standard file drawer for protection and security. Unit comes complete with 25 dividers and index tabs. Mini diskettes are held upright by an adjustable follower block. Color is black.

TYPE ELEMENTS

Type Element Binder TB6006

Protect and store your various IBM ball style type elements. This handy grey French Calf vinyl binder conveniently houses up to 8 type elements for quick access. Binder measures only 6" x 6" x 1 1/4" and fastens closed with Velcro.

TYPE ELEMENTS

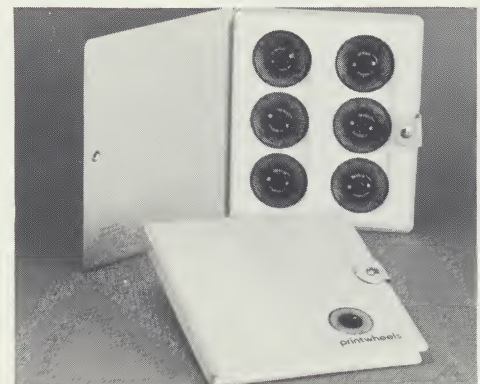

PRINTWHEELS

Printwheel Binder PW06

Snap-closing French Calf vinyl binder protects up to 6 delicate printwheels. This horizon grey binder will accommodate all printwheels on individual raised posts for quick access. Ring King Printwheel Binder measures 11" x 8 1/2" and only 1/2" thick.

PRINTWHEELS

Less work for you.

What good is a word processing system if you can't find the words once they're processed?

That's why Ring King designs its word processing storage and retrieval equipment around the word EFFICIENCY.

Not just storage and retrieval efficiency, but total office efficiency.

Why? Because we realize that the last thing you want is a word processing system that upsets your office routine. So we offer a full line of storage and retrieval products, each designed to perform a specific function and to fit a particular way of working.
